BRIEF ABSTRACT OF LETTER.

Submits for approval a copy of his memo dated 11.3.14 appointing members to constitute the committee in the Kadur Dt. in respect of the Malnad Scheme, and requests issue of orders to Comptroller to place the sum of Rs 3000/- at the disposal of the committee, sanctioned in G.O. dated 24.2.14 re Malnad Scheme.

NOTES AND ORDERS.

1) orders are required on two points - viz

(1) formation of the committee in the Kadur Dt. and

(2) placing Rs 3000 at the disposal of the committee.

2) As regards point (1) a similar reference had been received from the Dy Comm Hassan Dt. No orders

18.3.14 (3) No action is required as regards the Committee that has been formed. It is however noted that the Executive Engineer is not on it. But there does not appear to be any scope for further action as every one of the official members already nominated by the Secy appears to be indispensable.

(4) As regards the placing of Rs 30000 at the disposal of the Committee it is not known whether ^{and why} the Comptroller has not taken action under para 8 of the G.O. of 24th Feb 14.

(5) A practical difficulty has, however, been noted i.e. that the pay of the special establishment is to be debited to the grant of 1 lakh mentioned in that para, and therefore the entire sum cannot be placed at the disposal of the Committee, unless the pay is drawn by cheques, and debited against the ^{letters} ~~credit~~ of the Treasury officers, as with ~~the~~ ^{themselves}.

Serial

Case of P. W. payments

(6) The pay of the Special Officer will have to be met from the Shimoga allotment to facilitate accounting.

(7) It ~~was~~ has also to be remembered that the pay, deputation allowance^x and travelling allowance of the Master and of his staff were also ordered to be debited to the grant of 1 lakh and that therefore the entire budget grant will not be available for allotment among the districts at present.

(8) The Comptroller may be unofficially consulted as regards the exact amount available, the procedure to be observed for payments out of the Madras grant, and the distribution of the grant among the districts.

2. Amount required on account of pay and travelling allowances of the special establishment sanctioned in the proposition statement appended to G.O. No. 8036-34/Med. 24-13-13 dated 24th February 1914, need not be placed at the disposal of the committees. Instructions will be issued to the Treasuries for the disbursement of pay of the establishments on receipt of intimation from the Deputy Commissioners of Shimoga, Kadur and Hassan Districts of the details of the establishment for each District with dates of entertainment. These bills should be drawn by the Deputy Commissioners or the Secretary of the Committees. The travelling allowance bills of officers and establishments will, under the rules regulating travelling allowance, be sent to this office for preaudit. Bills if any on account of travelling allowance of non-official members require the sanction of Government. In regard to expenditure on works detailed in para 6 of the above Government Order, the committees should first decide what works they would undertake and frame estimates for each work and intimate the same to this office; when instructions will be issued for drawing the amounts and accounting for them. As 14 professional overseers it is presumed that no part of have been sanctioned ~~as~~ the work will be done through the agency of the Public Works Department.
